The Town would like to announce the establishment of a new ad hoc committee tasked with the responsibility of reviewing the town's current Standing Committees. Specifically, the council wants this group to review the purpose and function of the current Standing Committees to determine their relevance and, ultimately make recommendations to the council as to what Standing Committees (current or new) would best serve the needs of the town. Council members Simms and Sturkie have agreed to work on this project.

Applications of interest are due by July 31, 2021.

Sincerely,
Daniel Davis
Mayor
