NEW BUSINESS

1. 2008 Chevrolet Tahoe update on repairs

Mayor Wells stated the vehicle was damaged in an accident on 11/16/2018. The Insurance Reserve Fund appraiser provided an estimate of repairs on the same day, totaling \$5,177.93 in which our deductible is \$500.00. The vehicle was taken to a local body shop on 11/19/2018. The body shop has had some difficulty in obtaining side airbags and has said that it may take another 6-8 weeks. South Carolina State Accident Fund has denied a claim that was submitted, on the basis that it did not meet their requirements.

2. PD K-9 Proposal: Public Safety Committee Recommendation & Council Vote

Mayor Wells asked Lieutenant Silano to begin his presentation to Council.

Lieutenant Silano stated that while Pine Ridge is a mostly quiet town, it does have its share of crime. Most of these crimes are committed by people passing through the town. Narcotics are being brought into our neighborhoods and schools. Lieutenant Silano is a certified K9 handler who owns his own certified K9. Some of the reasons a K9 program would be good for the town: provide random sweeps of the schools for narcotics, demonstrations for the schools and residents which would improve community relations and education, combat narcotics traffic coming through town as they try to avoid the main thoroughfares of Highway 302 and 321, assist in traffic stops for Officer safety and pursue suspects that run. Additionally, the town may receive more seizure funds from traffic stops.

TOWN OF PINE RIDGE
Town Council Minutes
January 8, 2019

The County has K9's but sometimes they are not close or are on other calls. There will be no additional increase in liability insurance, per the Town's insurance carrier. K9 liability is limited per SC Code of Laws 47-3-110. The initial training for the program will be paid by an outside source. Lieutenant Silano advised Council and prepared a spreadsheet showing that an average cost of starting a K9 program would be about \$50,000.00. Since he is Certified and has an outside source paying for the initial training, the Town's portion would be a little over \$17,000.00.

Councilwoman Sturkie asked Lieutenant Silano if he would be able to assist the South Congaree Police Department as they used to assist Pine Ridge when we needed it. Lieutenant Silano replied that he would be available twenty-four hours a day to assist.

Councilman Simms asked if there were any similar size towns that have K9 units. Lieutenant Silano replied that Springdale Police Department currently has one canine named Bruce Wayne.

Councilwoman Sturkie asked if Lieutenant Silano's dog has a cool name. Lieutenant Silano replied that he has multiple dogs, but the one he is speaking of is named Kira, she is a three-year-old Belgium Malinois.

Councilman Dinkins asked if Council needed to vote. Mayor Wells replied that a motion was needed to approve the K9 program.

Mayor Wells pointed out that the quote of \$5,825.78 is for a portable kennel that will be installed in the back of the vehicle. Lieutenant Silano confirmed that it would be the cost to upfit a vehicle for a K9 insert. The dog would be housed in the insert, with a heating system and sensors that would notify the Lieutenant if it got to a certain temperature in the vehicle and a door popper, which would allow the canine to assist if a suspect was combative.

Interim-Chief Neeley added that the quote is for the cost to upfit the 2008 Tahoe. He is currently looking for an additional vehicle that already contains the needed equipment. The quote is a worse case scenario, if they are unable to find a used vehicle in good condition with the equipment already installed.

Mayor Wells stated that the equipment would be interchangeable. Lieutenant Silano confirmed and stated that the equipment would work in any 2007-2014 Tahoe.

Mayor Pro-tem Davis stated that besides the benefit of possible seizure funds, it speaks to safety as it pertains to drug enforcement. Mayor Pro-tem Davis added a second point based on the Revenue Enhancement Program approved in November, which has generated enough funds in one month to fund the worse case scenario cost of the K9 program.

TOWN OF PINE RIDGE
Town Council Minutes
January 8, 2019

Councilwoman Sturkie asked if the Public Safety Committee was recommending the approval of the K9 program. Mayor Wells confirmed that the Public Safety Committee is recommending the approval of the K9 program.

Councilwoman Sturkie made a motion to approve the K9 program and budget of \$17,401.00, as submitted. Councilman Dinkins seconded the motion, which was unanimously approved.

3. PD Canine Operations Policy

Mayor Wells asked Lieutenant Silano to tell Council about the PD Canine Operations Policy. Lieutenant Silano stated that the policy is standard operating procedures for the K9 handler and dog. Lieutenant Silano spoke to Chief Cornett of Springdale Police Department who gave him some pointers on the policy. The policy covers training and every different aspect of building searches, traffic stops, narcotic sweeps, vet care and prohibited uses of the canine. Lieutenant Silano has sent the policy to other handlers who have run a K9 program and is confident that the policy will meet the needs for Pine Ridge.

Mayor Wells called for a motion to approve the Canine Operations Policy as submitted by Lieutenant Silano.

Councilwoman Sturkie made a motion to approve the Canine Operations Policy, as submitted. Mayor Pro-tem Davis seconded the motion, which was unanimously approved.

4. Proclamation Commemorating School Choice Week

Mayor Wells stated that this has been requested by the President of the National School Choice Week and the Town has approved it in 2017 and 2018. Mayor Wells asked members of Council if they would like him to read the Proclamation in its entirety. Several members of Council agreed that Mayor Wells did not need to read the Proclamation aloud.

Mayor Wells called for a motion to approve the Proclamation Commemorating School Choice Week.

Councilman Simms made a motion to approve the Proclamation Commemorating School Choice Week, as submitted. Councilman Dinkins seconded the motion, which was unanimously approved.

5. Midland Dixie Youth Baseball Sponsorship (donation)

Mayor Wells read aloud Resolution 2019-01.

Mayor Pro-tem Davis made a motion to approve Resolution 2019-01, as submitted. Councilwoman Sturkie seconded the motion, which was unanimously approved.

- A. The Company may continue to provide electric service to any building or structure to which it is already providing electric service as of the effective date of the Franchise Agreements until such building or structure is removed, torn down, razed to the ground, or demolished, even if Exhibit A provides electric service rights for the parcel on which the building or structure is located to Mid-Carolina Electric; and Mid-Carolina Electric may continue to provide electric service to any building or structure to which it is already providing electric service as of the effective date of the Franchise Agreements until such building or structure is removed, torn down, razed to the ground, or demolished, even if Exhibit A provides electric service rights for the parcel on which the building or structure is located to the Company. Section 8

The Town and the Company agree that:

A. All work performed within the municipal limits by the Company or its contractors shall be in accordance with the National Electric Safety Code and the applicable electric and gas rules and regulations, as adopted by the Public Service Commission of South Carolina.

B. The records of the Company pertaining to the electric street lighting system are to be accepted as full and final proof of the existence and configuration of the same, that system being hereinafter referred to as the "Street Lighting System."

Subject to applicable rates and terms and conditions, throughout the life of the franchise the Company will supply to the Town, and the Town agrees that it will purchase from the Company, electric energy and gas required by the Town for its own use including traffic signal lighting, street lighting, lighting and power for public buildings, pumping stations, or other installations now owned or hereafter constructed or acquired by the Town and for all other uses in all areas served by or to be served by the Company, as allowed by law. However, should the Town request to provide electric service to any of its facilities utilizing an alternative energy facility owned by the Town, the Company will consent to such a request so long as the energy from that facility is allowed by and subject to a rate schedule approved by the Public Service Commission of South Carolina. If the Town receives service from such a facility, then the Company shall have the right to change the terms and conditions under which it provides any remaining services to Town facilities.

G. The Company shall charge and the Town shall pay to the Company monthly for all electric and gas energy furnished by the Company for miscellaneous light and power and/or gas services under this franchise in accordance with rates and tariffs and terms and conditions as established by law.

H. None of the electric or gas energy furnished hereunder shall be sold, disposed of, or exchanged by the Town to others without the expressed written consent of the Company.

I. The electric or gas energy hereunder is not guaranteed or warranted to be free from minor interruptions or from major outages or electrical surges beyond the control of the Company.

Section 9

All work upon the streets and public places of the Town shall be done under the general supervision of the Mayor and Council (or other legally constituted governing body) of the Town, and all sidewalks or street pavements or street surfaces which may be displaced by reason of such work shall be properly replaced and relayed by the Company, its successors and assigns, to the reasonable requirements of the Mayor and Council (or other legally constituted governing body) of the Town.

Section 10

The Company shall, as to all other conditions and elements of service not fixed herein, be and remain subject to the reasonable rules and regulations of the Public Service Commission of South Carolina or its successors, applicable to electric & gas service in the Town.

Section 11

A. As payment for the right to provide electric and gas services, and any other services as may be permitted under this Franchise Ordinance, in the succeeding calendar year, the Company shall pre-pay into the Treasury of the Town, on the first business day of July each year, beginning with the year 2019, a sum of money (the "Franchise Fee") equal to five percent (5%) of the gross sales revenue accruing to the Company during the preceding calendar year from all residential and commercial sales of electricity and gas in the municipality and all wheeling or transportation service to such customers within the corporate limits of the Town, not including sales made under legally authorized special sales programs which allow the Company to reduce prices to meet customers' competitive energy prices. To change the percentage of the revenue on which the Franchise Fee is calculated, the Town must both (1) amend this Franchise

receipt to verify that all addresses included on the List are accurate and that no addresses are missing. Unless the Town notifies the Company of any error: (1) the Town shall be required to reimburse the Company for any Franchise Fee refund based on an address incorrectly included on the List; (2) the Company shall not be responsible for Franchise Fees for any service addresses not included on the List. Reimbursement shall be made to the Company within sixty (60) days of receipt of request by the Town or the Company may agree, in its sole discretion, to deduct the amounts owed under this Subsection from the next Franchise Fee payment to the Town. This information is confidential and proprietary and shall not be disclosed to any third party under the Freedom of Information Act or otherwise without a court order or the Company's prior written consent.

D. The Town hereby levies, and the Company may collect and transmit to the Town, a franchise fee on electricity and gas sold by third parties to customers within the Town using the Company lines, or facilities; said fee is to be in all respects equivalent to the franchise fees established herein plus a proportional share of all other payments to the Town, or to the Non-Standard Service Fund established hereunder, which the Company is obligated to make on whatever basis during the life of this franchise.

E. Should the Town itself ever at any time construct, purchase, lease, acquire, own, hold or operate an electric or gas distribution system to provide electric and gas service within the Town, then the payment of percentages of gross sales revenue herein provided to be paid by the Company, shall abate, cease and no longer be due and no other fee for the franchise rights shall be required.

Section 12

The Town and Company further agree that:

A. In addition to the requirements above, the Town may require the Company to convert overhead distribution and service lines to underground lines or other non-standard service to existing customers ("Non-Standard Service"), including the use of special equipment or facilities or the use of special landscaping or screening of facilities, within the municipal limits of Town, to the extent that the cost of such Non-Standard Service can be defrayed by the Non-Standard Service Fund provided for in this Section. The costs of Non-Standard Service are defined as those costs which exceed the costs of standard service. Underground distribution and/or service wires to new customers, whether residential or commercial, shall not be included in the definition of Non-Standard Service for the purposes of this Section.

B. The Non-Standard Service Fund (hereinafter, the "Fund") shall be established pursuant to the terms of this Ordinance and shall be used to defray the costs of Non-Standard Service.

C. Each year the Company shall designate to the Fund an amount equivalent to fifty basis points (0.50%) applied to the Company's gross revenue from electric service utilized in Section 11, that being the same amount of electric revenue that is used in computing its municipal franchise fee payment for that year. (The "Company Match" to the Fund.) This designation shall occur simultaneously with the payment of the franchise fee for the year in question and shall be in addition to the franchise fee. The Company Match funds shall remain on deposit with the Company and be paid out by the Company on a one to one basis with the Town matching funds as needed to defray costs of Non-Standard Service. Unexpended amounts of the Company Match

applied beginning with the commencement of construction of the project for a definite time not to exceed ten (10) years. Proceeds shall be paid into the Fund, provided that the Fund has paid for the construction of the Non-Standard Service within the Underground Utility District. If the Town or the Company advanced funds for the Non-Standard Service in the Underground Utility District, the Underground Utility Fee shall be used to reimburse the Town or the Company as appropriate on a monthly basis following recovery of same from the customers. The cost of borrowing funds from the Company to pay for the Non-Standard Service in the Underground Utility District shall be included in the reimbursement. The Company's weighted average cost of capital as filed with the Public Service Commission of South Carolina would apply to any amounts advanced by the Company.

F. The amounts designated for the Fund shall be used exclusively to defray the reasonable and necessary costs of planning, designing, permitting and/or constructing the electric utility projects involving Non-Standard Service.

G. Costs for Non-Standard Service projects shall be paid from amounts designated to the Fund as incurred. The Company shall be required to undertake Non-Standard Service projects in the Town only to the extent that balances designated to the Fund are reasonably projected to be adequate to cover the costs of the projects as they are incurred.

H. The Town shall establish, in consultation with the Company, priorities for Non-Standard Service projects. Projects which maintain system reliability, and/or improve system safety, shall have priority over all other non-standard service projects. All Non-Standard Service projects shall conform to good utility practices as to reliability and safety.

I. The Town shall use best efforts to acquire all necessary right-of-way, transformer sites, or other use and access rights for Non-Standard Service projects. Within three (3) months of completion of an overhead to underground conversion project, the Company shall remove overhead facilities and the Town shall remove and require other utilities and third parties, if any, to remove their facilities from the Company's poles and shall require property owners to connect to the underground facilities.

Section 13

This Franchise Ordinance is subject to the constitution and laws of the State of South Carolina.

Section 14

This Franchise Ordinance shall not become effective until accepted in writing by the Company, which shall be within thirty (30) days from the date of its ratification by the Town and on the same date that the Franchise Ordinance for Mid-Carolina Electric becomes effective. The terms, obligations and rights granted by this Franchise Ordinance, when accepted by the Company, shall constitute a contract between the Town and the Company, and shall be in full force and effect for a term of thirty (30) years from the effective date. Upon acceptance by the Company in writing, this Franchise Ordinance supersedes and replaces the Electric Franchise Ordinance, which became effective on September 7, 1999, and was amended by Ordinance 2011-03 which became effective on May 17, 2011, and the Natural Gas Franchise Ordinance which became effective on September 7, 1999, which was amended by Ordinance 2012-01 which became effective on January 24, 2012.

West Columbia Post 79

The History:

Our Post was chartered in 1931, and honors and supports all of our Veterans and first responders. Our post sponsors American Legion Baseball and we support Palmetto Boys and Girls State as well as the Legion Ladies Auxiliary unit 79. We support our community with dinners and garage sales for the needy, and our post has also been used for a voting precinct and for community events. In 2016-2018, we received an award for reaching a goal of 100% membership and In 2017 and 2018, we received the award for Most Outstanding Children and Youth Program from the American Legion Department of South Carolina.

2018 was Post 79's most successful year. We sent in excess of 10 students from B.C., Airport and Northside Christian Academy to Boys and Girls State and granted more than 10 baseball scholarships, as well as sponsored two baseball teams. Most excitingly, Post 79 partnered with and hosted the 2018 South Carolina American Legion Baseball Championship at Spirit Communication Park, which seats over 9,000 and is home to the Columbia Fireflies. This greatly raised the profile of American Legion Baseball and all it has to offer to our community.

Post 79 holds several luncheons a year for our communities first responders and garage sales to help the needy. Post 79 also assists in helping to pay Veteran's medical bills, funeral bills and helps them get to medical care, as supporting those who have served is our main goal. We have members who have served all the way from WW2 to the present. We also received the award for Most Outstanding Post Children and Youth program in both 2017 and 2018 in all of South Carolina.
