OLD BUSINESS

1. Estates at Indigo Bond Estimate to repair Infrastructure

Mayor Wells stated that he had ridden down Oak Hill Road and the ground had been broken and they were working on the grading and drainage part. He stated that he had not heard when it would be complete.

2. Indigo Place Bond Estimate to repair infrastructure

NEW BUSINESS

1. PD Policy Manual Revision Section 3, Chapter 4: Body Worn Video & Audio Equipment

Chief Parks updated Council regarding the Policy Manual Revision for the Body Worn Video & Audio Equipment. Chief Parks explained that he had applied for a grant for 5 Body Cams. The Police Department Policy was missing some vital verbiage that the Criminal Justice Academy's attorney said needed to be revised for the 2020 Grant. Specifically, who is entitled to view the recordings.

Mayor Wells stated that a motion and second was needed to approve this, and suggested that the Town's attorney, Matt LaFave review and approve the changes.

Councilman Simms made the motion to approve the proposed Police Department Policy revisions after final approval by Matt LaFave. Councilman Dinkins seconded the motion, which was unanimously approved.

2. Resolution 2020-20: Waive BL for Car-Bazaar-Q-event held by Congaree Baptist Church

Mayor Wells asked Councilwoman Sturkie to share information about this event.

Councilwoman Sturkie said she would explain it but had to recuse herself from the vote, since she is a member at Congaree Baptist Church. She said this is a fund-raising event that the church has done for several years. Helping with things such as families in need in the community, an emergency fund and their building fund. She said it is a Car show, BBQ dinner and Vendor event. The vendors are charged a fee to participate and if they are charged an additional business license fee, they probably would not participate. Therefore, since it is a fund-raising event, she is asking that the fee be waived.

There was some Council discussion regarding waiving the fees on a case-by-case basis.

Councilman Dinkins made the motion to approve waiving the BL fee for the Car Bazaar-Q-event. Councilman Simms seconded the motion. It was unanimously approved. Councilwoman Sturkie completed a recusal form, which is on file in the Municipal Clerks Office.

3. 2020 Annual Tree Lighting & Parade

Mayor Wells informed Council of a complaint he received last year regarding the dates of this event changing within a week or so of the event taking place. This caused a problem for one of our volunteers who could not reschedule. Also, a committee member, not a Council member, called saying the date had been changed.

Council discussed that the first Saturday in December would be the best time to set as a permanent date. This year it would be on December 5th, 2020.

2. Councilwoman Sturkie made a motion to move Swanson to the suggested increase in salary and retro-activate that pay from his one-year anniversary. The motion was seconded by Councilman Dinkins which was unanimously approved.

3. Mayor Pro-Tem Davis stated that Council was approached about the possibility of the Town of Pine Ridge providing an SRO for Wood Elementary School. The Public Safety Committee met with the Superintendent of Lexington 2, to discuss the Town's financial inability to provide the required equipment and the Town's portion of the SRO's salary on an annual basis. The town does not have a tax base and revenue is dependent on the economy in business licenses.

Mayor Pro-Tem Davis stated that the Superintendent indicated that the City of Cayce was willing to provide an SRO, if we would be in agreement to sign a memorandum of agreement with the City of Cayce that would give that officer the appropriate jurisdiction to act while on the school grounds. Council discussed the SRO program. Councilman Dinkins stated he would need to recuse himself from the vote as he is the Assistant Principal at Herbert A. Wood Elementary. Councilman Dinkins completed a recusal form, which is on file in the Municipal Clerks Office.

Mayor Pro-Tem Davis made the motion that Council sign the memorandum of agreement with the City of Cayce to provide an SRO with Wood Elementary as soon as possible. Councilman Simms seconded the motion. Councilman Dinkins asked to sign a recuse since he worked for Lexington District II.
